

mavlink::Message

```
classDiagram
    class mavlink_message["mavlink::Message"]
    class mavlink_common_msg["mavlink::common::msg"]
    mavlink_common_msg --|> mavlink_message
```

The diagram illustrates a class inheritance relationship. At the bottom is a light gray box representing the base class, and at the top is a white box representing the derived class. A blue arrow points from the base class to the derived class, indicating that the derived class inherits from the base class.
